# LED Recessed Halo Panel Light

Our 1200\*600 High Output Halo Panel luminaire provides an energy efficient replacement for all traditional ceiling tile fittings, such as 4x36W 1200\*600 fluorescent CAT 2 fittings often found in offices, corridors and other types of buildings with recessed grid type ceilings.

This pioneering technology usually achieves energy savings of at least 50% over conventional light sources, whilst maintaining the same lux levels. With up to 50,000 hour life span this provides a maintenance free solution for difficult applications where changing luminaires can either be hazardous or expensive.

This product is covered by our industry leading CEMA Lighting Five Year Fit and Forget Warranty.
