

Key Features & Benefits

- Provides ideal lighting for industrial, manufacturing and warehousing
- Reduces energy consumption by over 50% on traditional lighting
- Up to 100lm/w+ efficiency
- IP20 rated
- Fit & Forget 5 Year Warranty

STOCK

LED Recessed Halo Panel Light

Our range of LED 600*600 High Output Halo Panel luminaires provide an energy efficient replacement for all traditional ceiling tile fittings, such as 4x18W 600*600 fluorescent CAT 2 fittings often found in offices, corridors and other types of buildings with recessed grid type ceilings.

This pioneering technology usually achieves energy savings of at least 50% over conventional light sources, whilst maintaining the same lux levels. With up to 50,000 hour life span this provides a maintenance free solution for difficult applications where changing luminaires can either be hazardous or expensive.

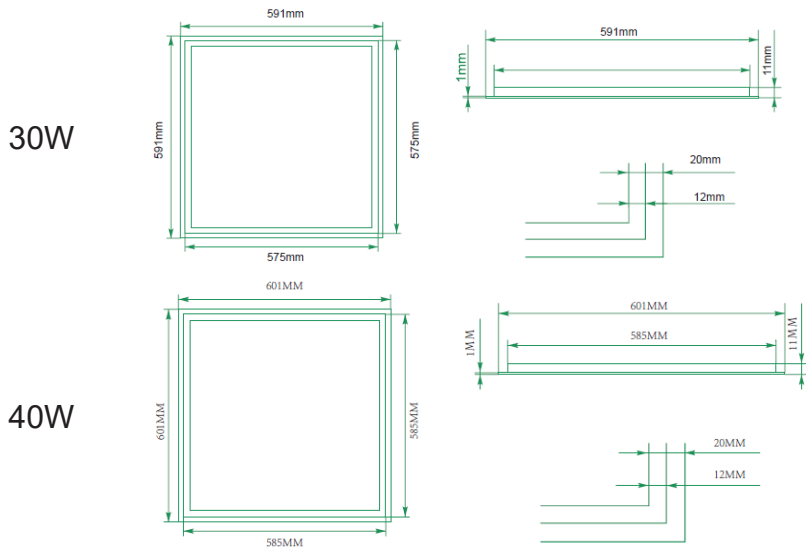

Because of the exceptional anticipated lifespan this product has, CEMA Lighting include our complimentary 8 year warranty, which includes the first 5 years fit & Forget. Our 5 Year fit & Forget warranty is a unique warranty which eliminates maintenance costs and well as replacement costs. This is included on all of CEMA's LED luminaires.

Applications

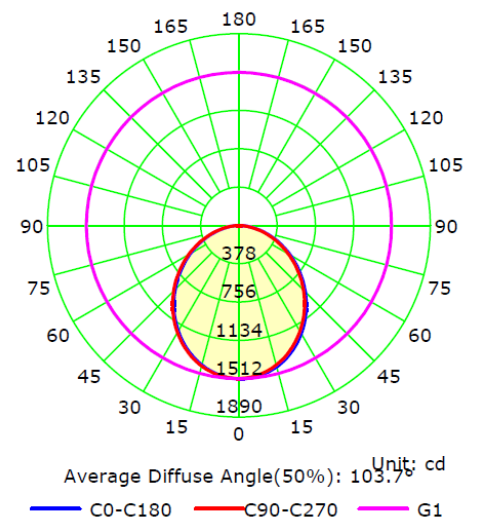

- Offices
- Amenity Areas
- Walkways
- Manufacturing
- Reception Areas
- Preparation Areas
- Corridors
- Conference Rooms

Optional Extras

- 3 Hour Emergency Battery Back Up
- Motion Sensor

Technical Specification

Product Code	503-12-033-030	503-12-033-040
Wattage [W]	30W	40W
IP Rating	IP20	IP20
Luminous Output	3,000	4,000
Lumens Per Watt	>100±5%	>100±5%
Lifespan [up to]	50,000	50,000
Colour Temp	3000K/4000K/6000K	3000K/4000K/6000K
CRI	>80	>80
Input Voltage	170-265V	170-265V
Working Temp	- 25°C to 60°C	- 25°C to 60°C
Beam Angle	120°	120°
Power Factor	>0.9	>0.9
Dimensions [mm]	591*591	601*601
